Remaining	2	10	
Total Totals	36	44	Source

2. Fake News: Curse of the Bambino

Selling one of the Baseball's Greatest Players put a Curse on Red Sox

Analyze Reveals

[Harry Frazee bought the Sox in 1916](#) and soon made a couple of notable trades with the Yankees.

The curse began after the Sox lost the [1918 World Series](#) though the sale was in 1920.

Sox Manager [Ed Barrow](#) left to be Yankee [general manager](#) in 1921.

Other Sox players were later sold or traded to the Yankees.^[11]

The term "curse of the Bambino" was created by [Dan Shaughnessy](#) 1990 book
The Curse of the Bambino [Source](#)

Most Famous Failed Owner:

[Tom Yawkey](#) Beloved Red Sox Owner Never Won a World Series
[Reluctance to employ black players](#) (1933-1976)

Finally a Successful Owner

[John W. Henry's Ownership](#) hired a front office headed by [Larry Lucchino](#)
Follower of [Moneyball](#) sabermetrics of [Bill James](#),
The ownership curse ended with the 2004 World Series.

It Should be the Curse of Ownership

Curse began shortly after new owner.

Boston Sports Success Always Determined by Ownership ability.

Ranking Boston Sports Ownership

4

1. Bruins with 25 Divisions since 1928 is longest period.

Most successful Celtics Owners.

[Walter Brown](#) 1946 - 1964

Good when new good owners let "Red" run the show

[Boston Basketball Partners LLC](#) 2002-

Most Successful Patriots Owners

[Billy Sullivan](#) 1960 - 1987 AFC original owner, built [Foxboro Stadium](#)
sold his original \$25,000 investment to [Victor Kiam](#) for \$83 million who
sold after one year sold to

[James Orthwein](#) who hired [Bill Parcells](#) and insisted on
using first-overall draft pick to buy the "Groceries" quarterback [Drew Bledsoe](#).
His threatened move to St Louis never happened thank to Boston paper magnate

[Robert Kraft](#), the greatest owner in Boston Sports History.

3. [Bill's Famous 4th and 2 Indianapolis Decision on the 29 yard line](#)

Situation: Tired Defense, On the Road, In a Dome, and being playing
Peyton Increase Indiana's Chances of turning kick turning into a Pat's defeating touchdown

4

Logic of Decision was Similar to Bill's First Great Super Bowl Decision of Going for the Win.
John Madden Immediately Said Waiting for Overtime Was the Correct Decision.
This Time Bill Went for It and Won. Against Peyton he Lost.

Analysis was Too Complicated for Mass Media.

[Bill's Simmons in Depth Analysis was Great](#)

Bill Simmons is sticking with Bill Belichick for the long haul, but don't ...

"When your coach lets you down with a decision that makes no "

Had the Patriots punted, Peyton would have had to pull off a third long touchdown drive to win the game.

I doubt he's banking those famous 19-hour work days anymore... See fan comments at [Source](#).

**This great analysis belongs in a statistics classroom
as it demonstrates the difficulty of using subjective statistic.**
